Parker Phelps

Winston-Salem, NC 27103 | 336-8313432 | pp101socials@gmail.com

Summary

As a Front End Web Developer, I possess a wealth of experience and expertise in creating visually stunning and responsive user interfaces for websites and applications. With a deep understanding of web development technologies such as HTML, CSS, and JavaScript, I have developed an extensive skill set in popular front-end frameworks such as React and Next.js.

Objective

Recent graduate with an Associate's Degree in Web Technologies and Programming and Software Development. Currently seeking to leverage skills in coding (HTML5, CSS3, JavaScript, Next.js, ReactJS), problem-solving, and communication to gain professional experience in a Front-End Developer role.
